

B.3.3 Personal information

We do not collect personal information for any purpose other than to respond to you (for example, to respond to your questions). If you choose to provide us with personal information – like filling up of a “Contact Us” form, with an e-mail address and pin code, and submitting it to us through the website – we use that information to respond to your message, and to help get you the information you’ve requested. We only share the information you give us with another government agency if your question relates to that agency, or as otherwise required by law.

Our website never collects information or creates individual profiles for commercial marketing. While you must provide an e-mail address for a localized response to your questions or comments to us, we recommend you not to provide any other personal information.
